February 1st through April 30th of every year, over weight vehicles, requiring annual single-trip or special permits with Green or Purple weight, issued by the Nevada Department of Transportation (NDOT), are PROHIBITED from using the below routes. These routes are restricted to legal single, tandem and tridem axle weight limits during this period. Overweight fines double on these routes during this three (3) month period. The time frames are subject to change without notice. Please contact the Over Dimensional Permit office to clarify any routing questions.
